Dicla Training & Farming (PTY) Ltd, a sister company of Dicla Horticulture - is a AgriSeta Accredited Training Centre situated in Krugersdorp, just outside Mogale City, in the Gauteng Province.

In the Agricultural sector, especially in Horticulture (Tunnels and Hydroponics) we provide high level skilled Facilitators and Moderators with more than 23 years of experience. We can assist you in creating a Business plan and help you make a success of your business with skills provided by us. We will educate and guide you how to grow in tunnels, protect your crops, irrigate, fertigate crops, harvest crops and how to successfully market your products.

Dicla Training & Farming Centre has a state-of-the-art infrastructure, classrooms and accommodation where we can share our skills with all new farmers, officers in the field or farmers that want to upgrade their staff's skills.

We supply and install Dicla tunnels, nursery tunnels, Multi span green houses and complete turnkey setups all over South-Africa.
